Our 4F Edition of FoodBank Outreach Delivery, specifically for Seniors and Persons with Disabilities (PWDs) was a tremendous success today - held in celebration of the Seniors Intercultural Society of BC (SISBC) Anniversary at Victoria Drive Community Hall, Vancouver, BC.

We're thrilled to delivered and share and gave away over 2,150lbs of groceries food- providing free groceries to more than 70 seniors and several persons living with disabilities.

This isn't just about food - it's about empowering lives, building our communities eliminating or reducing poverty, and showing love in action.

A heartfelt thank you to our amazing volunteers, partners, and supporters who made this possible.

Let's keep the energy going!
